

ARCHERY RANGE SAFETY

1 No sky shooting! No sky drawing. Immediate ban follows!

6 Collect your arrows after everyone has finished shooting.

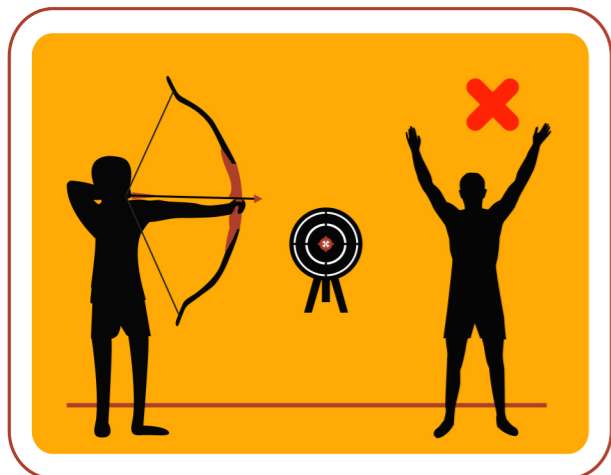

2 No dry firing! Never release string without an arrow.

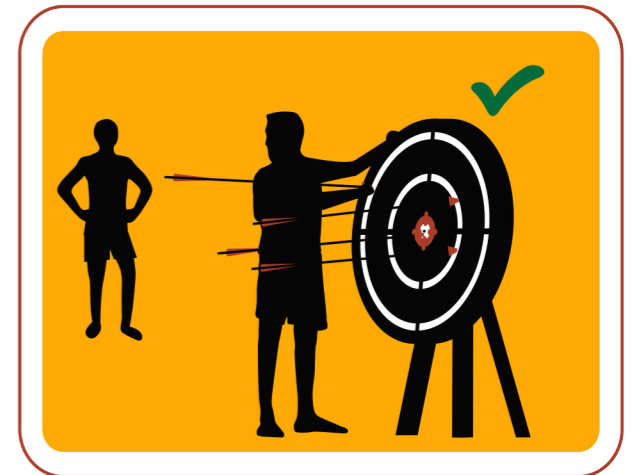

7 Always walk on the range. Carry arrows with the tips facing down.

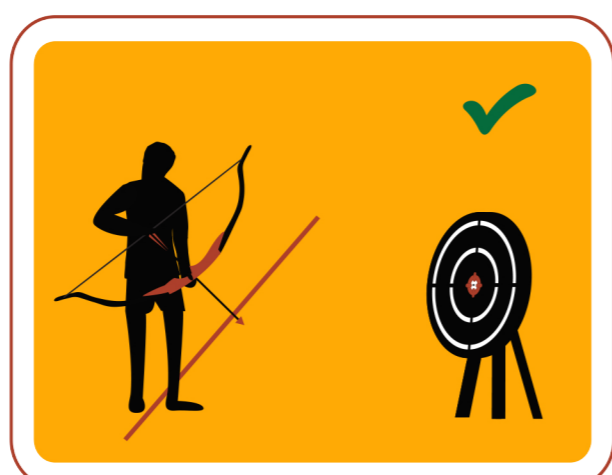

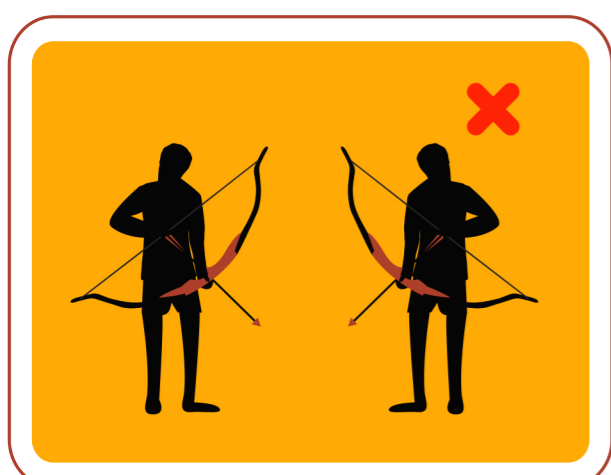

3 Only draw your bow when aiming at the target.

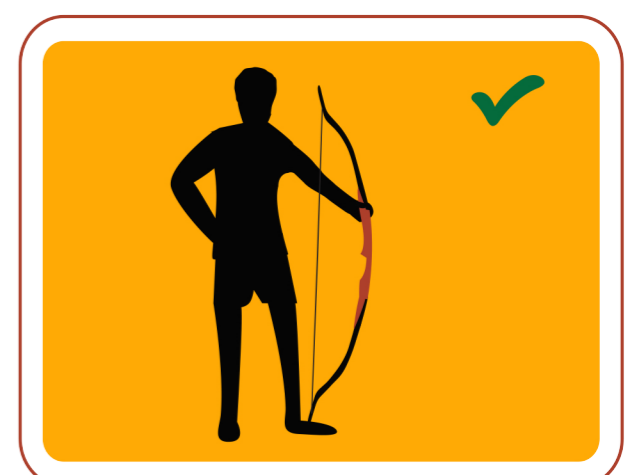

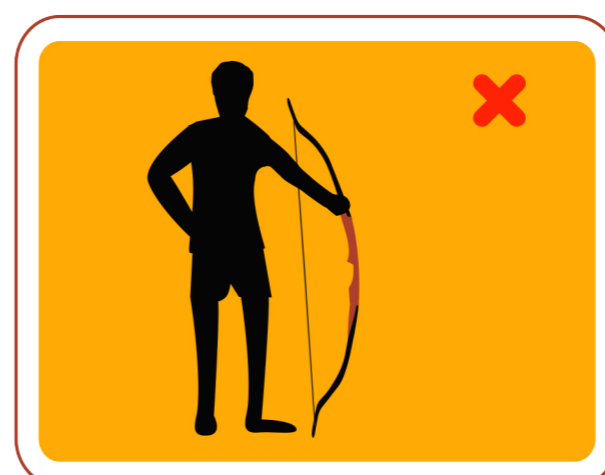

8 Check target is clear, brace target and pull arrows right at the front.

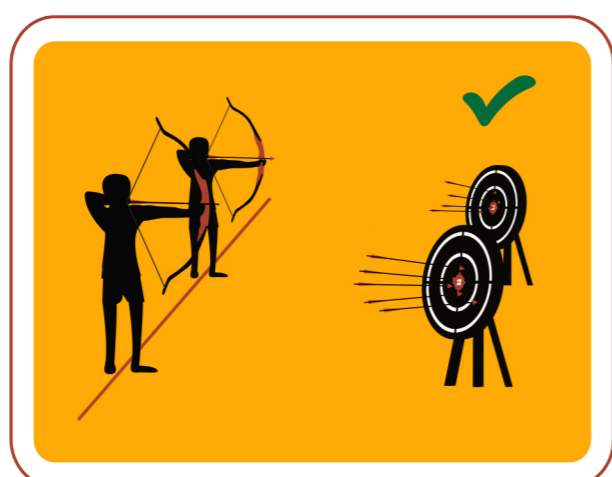

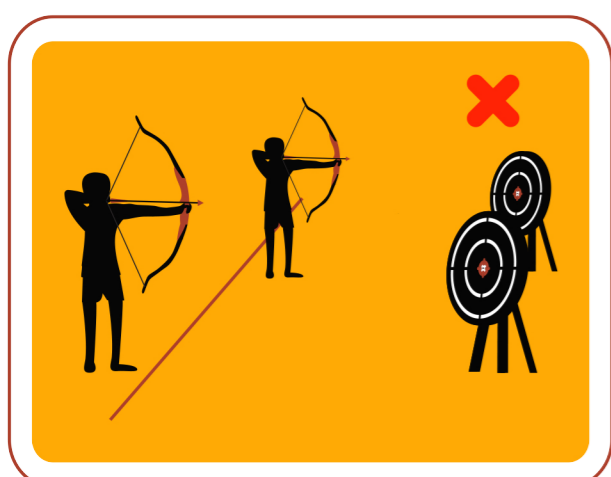

4 Only nock your arrows at shooting position.

9 Place the bow on your shoe to prevent dirt getting into the string.

5 Stand across the shooting line, not in front or behind.

10 No drinking and no smoking on the archery range.
